BOMI Education Canada Announces Scholarship Winner Devri Robertson Awarded Vyetta Sunderland Scholarship

Toronto, Ontario, December 21, 2020 – BOMI Education Canada is pleased to award, on behalf of the Board of Directors, the Vyetta Sunderland Scholarship to Devri Robertson, administration manager, Colliers Regina.

BOMI Education Canada, in partnership with BOMI International, established the Vyetta Sunderland Scholarship in recognition of Sunderland's focus on excellence and her lifelong commitment to education. The annual scholarship is awarded to a Canadian student who is in pursuit of advancing their property or facilities management career.

Robertson began her career with Colliers Regina in 2017, first as an administration assistant. She was promoted to administration manager in 2018. She works with property managers and building operators to ensure the smooth operation of commercial properties, and manages a team of property administrators to meet the needs of clients, managers and companies. Robertson is awarded a full ride in pursuit of her RPA® (Real Property Administrator) designation.

"I have had the opportunity to work closely with Devri for the past two years, and I can attest she is a deserving winner, and one that will do our industry proud," said Laurie Ell, Chair of BOMI Education Canada and General Manager, REMS of Colliers International. "I've worked with Vyetta Sunderland throughout our careers on various BOMI Boards and committees, and I know she would agree that Devri embodies the characteristics the committee seeks for the scholarship recipient."

"As my role has changed over the past 2 years, my drive to be a high performing Property Manager has only increased. I completed the BOMI Budgeting and Accounting course in 2019 and could see the direct impact on my performance also on the properties I am currently managing," said Robertson. "By completing the RPA designation, I can ensure that I have the critical knowledge and skills needed for personal and organizational success."
